

## **Windows Utility Installation Guide**

### **Pre-Requisites**

Latest Windows RD Drivers must be installed in the system.

### **Steps to use**

1. Copy the serial number utility to any location in your machine e.g. "C:\MorphoRdServiceLOSoft".
2. Run the 'find serial number' utility.
3. On successful operation, device details will be saved at "C:\Morpho\_deviceDetails\ Morpho\_deviceDetails.txt".
4. Use the above serial number to buy RD service from the website [www.rdserviceonline.com](http://www.rdserviceonline.com)
